MARQUEE-LOK

Marquee-Lok

For any available Test Data, Section Properties or Load Tables, please visit the download section at www.mcelroymetal.com. (The load tables for wind suction are invalid when Marquee-Lok is ordered without the locking mechanism.) Please contact the **McElroy Engineering Department at 1-800-950-9082** for additional information.

Details:

- 8% net free area with vented surface
- Maximum length:
 - 24 GA and .032 aluminum is 8'
 - 22 GA is 15'
- Marquee-Lok is produced in Clinton, IL and Peachtree, GA

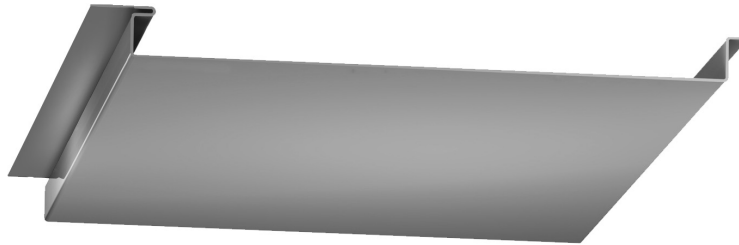

Panel Options:

- Panel width: 12"
- Panel configurations:
 - Non-Vented: flat or double pencil ribs
(on-center spacing with double pencil ribs is 4")
 - Vented: flat or single pencil rib
- Coating:
 - Kynar 500® (PVDF)
- Substrate:
 - Standard 22 GA Galvalume®
 - Optional 24 GA Galvalume

Notes:

- Oil canning is inherent in all metal panels and is not cause for panel rejection.
- Please contact a McElroy representative for specific pricing, lead times, special colors or gauges that may not be on a McElroy Metal color chart.
- Contents in this manual are subject to change without notice. To confirm this book is the most current copy, please visit McElroy's website at www.mcelroymetal.com.

MARQUEE-II

Marquee-II

For any available Test Data, Section Properties or Load Tables, please visit the download section at www.mcelroymetal.com. Please contact the **McElroy Engineering Department at 1-800-950-9082** for additional information.
